

Commercial Pilot Diploma Program

In May 2011, the College of New Caledonia and its aviation partners hope to offer a new Two-Year Commercial Pilot Diploma Program at the College's Vanderhoof campus. The 20-month, 5 semester, diploma program will be similar to the first two years of the University of Fraser Valley (UFV) and Coastal Pacific Aviation's (CPA) four-year Bachelor of Business Administration in Aviation degree.

To add your name to the interest list, please contact CNC's Vanderhoof campus at 250-567-3200/ nechako@cnc.bc.ca or Guardian Aerospace at [1-866-567-9889](tel:1-866-567-9889)/info@guardianaerospace.net More detail will be available once program planning is complete (Summer 2010).

CNC is partnering with Guardian Aerospace and the University of Fraser Valley/Coastal Pacific Aviation to offer this exciting program to meet the aviation needs of the north.
